

HOW TO KEEP SAFE IN AIR RAID PRECAUTION

Are you worried how to keep safe in an air attack? Well you are in luck so just read my instructions and you will find out how!

WHAT TO DO WHEN YOU HEAR THE SIREN:

If you hear the siren please walk calmly to the nearest air raid shelter, if you are at home go into your refuge room or to your air raid shelter.

PROTECTING YOUR HOUSE:

- ❖ Lay lots of sticky tape on your windows to prevent smashing,
- ❖ Put a bookshelf over your windows,
- ❖ If you have some type of netted mitral stick it over your windows,
- ❖ Or you can leave your windows open.

IN THE EVENT OF A GAS ATTACK: Put you Childs gas-mask on first right-away then yours

[it's proven for no death to you or your child or you. Don't forget to remember to practise wearing your gas-masks. The RAP warden will alarm you in the event of a gas attack with a gas rattle.

HOW TO MAKE YOUR REFUGE ROOM AS

SAFE AS POSSIBLE: Put wood-boards above your refuge room so the top room doesn't collapse on you in the night.

SHELTERS: Step 1:dig a very large hole in your garden.

Step 2: buy some metal sheets and put over your hole.

CONCLUSION: Now if you follow my simple Instructions and you will be ready for the war!
